

# SMW7S

## Rear Vision System

System includes (1) C300P Camera  
with ADD300Z Camera Cover

The SMW7S is our popular wide angle backup camera system for rear vision safety of commercial vehicles. See a much wider field of vision behind your truck and when you're turning in reverse. It is equipped with our 193-Degree Legal Vision Camera, which crops out the "fish eye" look and provides a crisp, clear image.
